

TechMart Electronics - Warranty Policy

Standard Warranty

All TechMart products come with a standard 1-year manufacturer warranty covering defects in materials and workmanship, starting from the date of delivery.

Extended Warranty

Customers can purchase TechMart Care+ at checkout for an additional 1 or 2 years of coverage, including accidental damage protection for smartphones and laptops.

What Is Not Covered

Warranty does not cover damage from liquid exposure (unless Care+ is purchased), unauthorized repairs, physical damage from drops, or normal wear and tear.

How to Claim Warranty

Warranty claims can be raised through the app under 'My Orders > Request Service', or by visiting any TechMart service center with proof of purchase.

Service Center Turnaround

Standard repairs are completed within 7-10 business days. Customers are provided a loaner device for laptop repairs where available.
